

## Elley Duhé - Middle of the Night

[Verse 1]

I saw him in June, please come to me  
Don't bury thoughts that you really want  
I fill you up, drink from my cup  
Within me lies what you really want

[Pre-Chorus]

Come, lay me down  
'Cause you know this  
'Cause you know this love

[Chorus]

In the middle of the night  
In the middle of the night  
Just call my name  
I'm yours to tame  
In the middle of the night  
In the middle of the night  
I'm wide awake  
I crave your taste all night long  
'Til morning comes  
I'm getting what is mine  
You gon' get yours, oh no, ooh  
In the middle of the night  
In the middle of the night, oh

[Verse 2]

These burning flames, these crashing waves  
Wash over me like a hurricane  
I captivate, you're hypnotized  
Feel powerful, but it's me again

[Pre-Chorus]

Come, lay me down  
'Cause I know this  
'Cause I know this love

[Chorus]

[Bridge]

Just call on me, ah  
Just call my name  
Like you love me, ah

[Chorus]

[Verse 1]

Well, I guess the third time's not a charm  
Nursing a three times broken heart  
I'm down the rabbit hole again  
I put myself in another world  
Where I can be any other girl  
'Cause I don't really wanna face it

[Pre-Chorus]

'Cause, if it isn't real, you can pretend all you want  
It's all you'll ever need  
"That's not healthy", they said, "To live in your head"  
But it hurts a lot less to me

[Chorus]

I fall in love with boys I see on a TV screen  
The ones in books who are as perfect as they can be  
I spend all of my time imagining what it would be like if they existed  
My parents tell me I should look for one in real life  
But I get let down by both the bad boys and the nice guys  
I'm tired of giving more than I receive  
So I'll just stick to the boys who don't know me

[Verse 2]

Oh, I hid his number, I almost called  
Like, maybe he's hurting after all  
I can't afford to be that naïve  
I'll just keep wishing it was me in that ending scene  
Where they're meeting up halfway and they're kissing in the rain  
It's a little bit cliché but I love it anyway

[Pre-Chorus]

'Cause it's better than when you're walking home  
And the rain starts pouring but you're all alone

[Chorus]

[Bridge]

(Ohh-oh, ohh-oh) I'd rather keep on dreaming of someone I'll never meet  
(Ohh-oh) Than give love to another one who won't choose me  
(Ohh-oh, ohh-oh) I'd rather keep on dreaming of someone I'll never meet  
(Ohh-oh) Than give love to another one who won't choose me

[Chorus]

[Outro]

Ohh-oh-ohh

(Ohh-oh) I'm tired of giving more than I receive (Ohh-oh)  
So I'll just stick to the boys who don't know me

## Jennifer Lawrence - Hanging Tree

Are you, are you  
Coming to the tree?  
They strung up a man  
They say who murdered three  
Strange things did happen here  
No stranger would it be  
If we met at midnight  
In the hanging tree

Are you, are you  
Coming to the tree?  
Where dead man called out  
For his love to flee  
Strange things did happen here  
No stranger would it be  
If we met at midnight  
In the hanging tree

[Chorus]  
Are you, are you  
Coming to the tree?  
Where I told you to run  
So we'd both be free  
Strange things did happen here  
No stranger would it be  
If we met at midnight  
In the hanging tree

Are you, are you  
Coming to the tree?  
Wear a necklace of hope  
Side by side with me  
Strange things did happen here  
No stranger would it be  
If we met at midnight  
In the hanging tree

[Chorus]  
Are you, are you  
Coming to the tree?  
They strung up a man  
They say who murdered three  
Strange things did happen here  
No stranger would it be  
If we met at midnight  
In the hanging tree

Are you, are you  
Coming to the tree?  
Where dead man called out  
For his love to flee  
Strange things did happen here  
No stranger would it be  
If we met at midnight  
In the hanging tree

## Phoebe Purtil - Burn Out

I see a wedding with no blood shedding  
It's the answer in the storm  
I'm expecting a never ending  
Love to heal the bullet holes

Cause the way was never clear  
Until I found ya  
No, no, no, the way was never clear  
Till I found ya like a song in my head

Baby we were born to burn out  
And I can't do this without you  
You grind these glass pieces down  
To the dust they came from  
I've got it all except you

It's a wonder I never went under  
With all the wearing on my soul  
I see thunder in endless summer  
He's the silence in the song

Cause the way was never clear  
Til I found ya  
No, no, no  
The way was never clear  
Until I found you, you, you

Baby we were born to burn out  
And I can't do this without you  
You grind these glass pieces down  
To the dust they came from  
I've got it all except you
